Case No.: No. 1-08-CV-109152

September 28, 2009

Honorable Neal A Cabrinha

Dept. 5

30
31 **A Filing Question**
32

33 I gather I have a deadline today. And at this point it is totally unclear to me as to what to file.
34 Another CM-020 extension? In any event I feel I must file something. I was more than confident
35 I could meet this deadline. I can't. I've been beset with having to solve constant software problems
36 in order to get my word processing system in order.
37
38

39 Suffice it to say that if I'm to be held to this deadline, that I simply wish to file what I already have.
40 The entirety of what I have already filed in the 1-08-CV-109152 file itself since last March 27, 2008.
41 I believe it speaks for itself. Which includes the addition I made to it on May 16, 2008.
42 Along with all of the CM-020 extensions (the entire story being contained therein):
43 Aug 25, 2008; Oct 27, 2008; Jan 5, 2009; Feb 2, 2009; March 9, 2009; April 13, 2009
44 Particularly of note, the third addition to it I filed with Judge Levinger last June 1, 2009.

1 I would like more time and am more than keenly aware of the next CMC upcoming this Oct. 30.
2
3 The software problems are continual and diminishing as I get better at solving them. I wish I could
4 say the same about my confidence at this point.
5
6

7 I'm doing the best I can with what I have. And grateful for the deadlines.

8 I've tried to meet them all as best I can. This one I can't. And dismay from it
9

10 I do not have time to explain the rest. It's almost 3pm. And the court closes at 4 as I understand.

11 I believe I'm making good headway. I need just a little more time.
